

Supply Of Process Equipment Of

Chemical, Petrochemical, Pharma, Textile,
Dyes & Pesticides Industries & Structural Fabrication

PRODUCT & SERVICES

- ◆ Storage Tank & Receiver
- ◆ Pressure Vessel
- ◆ Flue Gas Stack / Chimney
- ◆ Heat Exchanger
- ◆ Distillation Column
- ◆ Reactor with Agitator Assembly
- ◆ Internal Heating Coil
- ◆ Structural Fabrication

All Industrial Products

- ◆ Industrial Valves
- ◆ Pneumatic Tubing & Fittings
- ◆ Hydraulic / Pneumatic Cylinders
- ◆ Flanges, Pipes & Fittings

INTRODUCTION

HIYAAN ENGITECH offers a one-stop-shop service at our state-of-the-art facilities, with.

all metal fabrications carried out in-house. From initial design through to installation, we are here to provide you with the support you require for your project. Our skilled engineers are conversant in all aspects of fabrication from light fine line sheet metalwork through to small, medium and large fabrications. Our clients require work fabrication in various metals including Mild Steel, SA 516 Gr 70, Stainless Steel Gr 304/316/2205, Alloy, Titanium etc.

we've even been known to work with Titanium Clad! Working to ASME standards our team are highly skilled in areas such as sheet metalwork, fabrication, fitting, metal polishing and Coded Welding;

MIG, TIG, SMAW, and Submerged Arc Welding in all disciplines.

With over experience, we can guarantee you're in the right hands for all your metal fabrication requirements.

FABRICATION SPECIALISTS

- Design / Detail Drawing
- Structural Calculations
- MIG, TIG & SMAW Coded Welding
- On-Site-Installation
- WPS, PQR, WPQ as per ASME sec IX
- Qualified Welders
- Qualified NDT level II Person

PRESSURE VESSELS & HEAT EXCHANGER

We have been involved in various pressure vessel projects. All work is carried out in line with ASME standards. We provide 3rd party notified body inspection, qualified NDT testing and hydrostatic/air testing.

STRUCTURES & INSTALLATIONS

We are experienced in the design, fabrication & installation of structural items like – Platform, ladder, railing, roof, column, Plant structures etc..

NON DESTRUCTIVE EXAMINATION

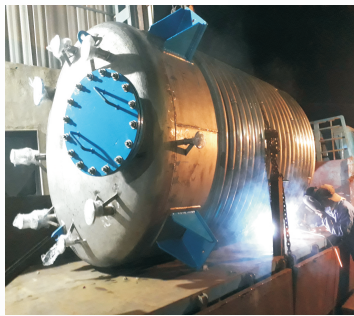

Qualified NDE level II & Level III as per ASME Sec. VIII Div. 1 and ASME Sec V.

- Liquid Penetrant and
- Magnetic Particle Examination.
- Radiography Testing.
- Ultrasonic Testing.

WELDING

We have In-house welding with qualified welders. Welding Qualification is as per ASME Sec. VIII Div. 1 and ASME Sec. IX. WPS, PQR & WPQR are available for the following: P1 to P1, P1 to P8, P8 to P5, P8 to P8, P5 to P5,

WHAT WE CAN DO FOR YOU

HIYAAN ENGITECH occupying 5,000 square foot under roof facilities all specialising in different areas, meaning there's a wealth of services available to you...

WELDING & FABRICATION :- Coded TIG, MIG & ARC welding; oxy-acetylene & arc welding, spot welding, stud welding and soldering. In-house facilities for small to large fabrications & heavy engineering.

TURNING :- Centare lathes 10 ft

GRINDING :- Angle Grinder 4", 5", 7" and 14" **DRILLING** :- External, internal, surface **TAPPING** :- Column and bench

PLATE BENDING MACHINE :- Capacity 2.0 Mtr Width x 16 mm. thk

EOT CRANE :- 5 tone Capacity

ASSEMBLY :- Mechanical

ANCILLARIES :- In-house plant and equipment for: sawing (horizontal, vertical and circular), polishing, finishing and paint spraying.

FINISHING :- In-house blasting, mechanical polishing and paint spraying to specification. For your hardening and other treatment requirements, we have long standing arrangements with specialists in these processes.

MEETING YOUR NEEDS

We produce a wide and diverse range of metal fabricated structures; we undertake projects large and small and are happy to provide quotations for specialised single products or batch orders.

- Fast Quotation Turnaround
- Competitive Lead Times
- 100% Quality Right First Time
- Highly Competitive Prices
- Nationwide Delivery
- Material Stock

Works & Office :

Plot No. 167, Sparkle Industrial Estste,
Chokhad, Maroli-Vesma Road,
Near Maroli Char Rasta, Maroli,
Navsari-396 415, Gujarat, India
